

Ascension Sports Partners announces placement of Research Database Manager at the Professional Bull Riders

PBR hire Chris Kamke as Research Database Manager

January 2010 – Ascension Sports Partners LLC recently completed a search for the Professional Bull Riders (PBR) as Chris Kamke has been named as Research Database Manager.

At the PBR, Kamke will be responsible for the managing, planning, and directing related to marketing and sales research.

Kamke comes to the PBR after completing his MBA and MSA from the University of Central Florida. Prior experience includes work at Tindall Corporation and project work at the Orlando Magic, Universal Orlando, and the Folds of Honor Foundation. Chris holds a B.S. in Industrial and Systems Engineering from Virginia Tech.

Vice President of Marketing, Lynn Wittenburg, had this to say, "We are pleased to add someone like Chris to our marketing team. He has already made an immediate impact on the way we market to fans".

Kamke adds, "I am excited to join Lynn and the PBR. I believe I will be able to positively impact this growing sport as well as encounter experiences that allow me to continue to grow and benefit this great organization".
