Re: Ticket Sales Account Executives

Dan,

I just wanted to say thank you for the recent placements within our Ticket Sales department of the Swarm. Your company's reputation and existing industry relationships improved the efficiency and integrity of the overall search process. Most importantly, we felt that Ascension Sports Partners genuinely cared about our business and the importance of recruiting the very best candidate that would advance the needs of our business.

Our organization has come to know and respect Ascension Sports Partners' judgment on identifying and recruiting talent who are the best fit for very specific management needs and also fit within the fabric of our culture.

I would strongly recommend Ascension Sports Partners to anyone who should inquire about your services in our industry. The Minnesota Swarm looks forward to working with Ascension Sports Partners again in the future.

Sincerely,
