**RE: Retained Search**

Dear Dan:

Thank you again for the great job Ascension Sports Partners did in handling our search for our Manager of Corporate Partnerships. It makes all the difference in the world to work with a search firm who has a track record in our industry.

Not only were we delighted with the slate of candidates your firm provided and the detailed knowledge Ascension Sports provided on each candidate, but also with the time you spent understanding the nature of our search and how this role would impact our organization. Your firm went the extra mile assessing our short and long term imperatives so candidates received clearly defined expectations from the onset. We consider ourselves a "family" and your firm made sure to understand our cultural requirements to ensure a perfect match.

I am exceptionally pleased to give Ascension Sports Partners our highest possible recommendation and look forward to continuing our relationship in the future.

Best regards,
