Re: Vice President of Sales and Marketing search

Dan:

I just wanted to drop you a quick note with regard to the service you and Ascension Sports Partners provided to us during our search for a Vice President of Sales and Marketing. This is the first time I have used Ascension Sports Partners (or any other search firm) for my recruitment needs and I was extremely impressed. While we had not worked together before, I felt you were quick to assess our culture and my leadership style in helping determine the appropriate candidates to funnel in our direction. The resumes that you sent were of extremely high caliber, and I was equally impressed when I had a chance to speak with the individuals on the phone and in person. It was refreshing to see an agency make the choice of sending through fewer resumes that are relevant to the role rather than waste the client's time with resumes that do not meet our criteria and standards. I would be happy to work with you in the future, and I recommend Ascension Sports Partners to anyone in our industry.

Sincerely,

Chris Powell
